

Hewlett Packard Enterprise

Welcome!

HPE Integrated Lights-Out (iLO) Advanced License FREE Evaluation License for HPE ProLiant Servers

For enterprise business – offer smart remote functionality without compromise, for all HPE ProLiant servers. The license enables the full implementation of iLO Federation for features such as Group Firmware Updates, Group Virtual Media, Group Power Control, Group Power Capping and Group License Activation. You can also activate the enhanced Integrated remote console, virtual keyboard, video, and mouse (KVM), multi-user console collaboration, advanced security, power management functionality and many others.

For details on Advanced license features along with server support, visit www.hpe.com/servers/iloadvanced

Getting started:

1. Refer to the Installation Instructions that are provided in the SW Depot or visit our www.hpe.com/info/ilo/docs
2. License Key: One time key per server (aka 5 x 5 key) 332N6-VJMMM-MHTPD-L7XNR-29G8B
3. Number of Licenses: 10 – This same license key can be used for 10 ProLiant servers at one time.
4. Expiry of Trial License Key – The HPE iLO Advanced Free Trial License key expires 60 days from the time you obtain your keys from HP SW Depot.
